Agile Scrum Methodology (6yrs Experience)

Procedure 1: Get project backlog in order!, Project mapping

Procedure 2: I groomed with the team, PO, managers, QA and BA

Procedure 3: I carry out Sprint Planning/set priority with team

Procedure 4: I schedule sprint planning/estimate tasks

Procedure 5: I perform and create a collaborative workspace

Procedure 6: Sprint!

Procedure 7: We daily stand up to speak what we did, what to do and blockers !

Procedure 8: We track progress with a daily burn down chart

Procedure 9: We finish when we said we would

Procedure 10: Review, Retrospectives, reflect, repeat...
